"Quality is impossible without caring for the environment"

About Us.

A type of finish similar to lacquer, Ambrose acrylic laminate is non-toxic, anti scratch, reflective high gloss finish which give cabinets a smooth appearance. It is made of polymer fiber, available in a wide range of colours and will give a mirror-like look to your interior. It is durable decorative option as it leaves a reflective and glossy sheen on the surface of shutters which lasts for years, it comes in range of bright colours that uplift the aesthetics of your interiors.
